RE: Request for Information Pursuant to Section 104(e) of CERLA
for the Sanitary Landfill Company (IWD) Site in Moraine, Ohio

Dear Mr. Turner,

In response to your request for information regarding the Sanitary Landfill Company (IWD) Site located at 1855 Cardington Road, Moraine, Ohio, the following information is offered to you corresponding to the questions you asked.

1. Identify all persons consulted in the preparation of the answers to these Information Requests.

Sandra F. Kulik, Environmental Safety Administrator,
University of Dayton;
Ken Soucy, Purchasing Agent for the University of Dayton;
Sigmund W. Brzezicki, Purchasing Agent for the University of
Dayton-Research Institute;
Robert Rotterman, Director of Facilities Management,
University of Dayton;
John Hart, University of Dayton Legal Affairs

2. Identify all documents consulted, examined, or referred to in the preparation of the answers to these Requests and provide copies of all such documents.

No documents were found that relate to these Requests.

3. If you have reason to believe that there may be persons able to provide a more detailed or complete response to any Information Request or who may be able to provide additional responsive documents, identify such persons.

No other persons can be identified at this time as being able to supply additional information.

OFFICE OF ADMINISTRATION
300 College Park Dayton, Ohio 45469-1660
TEL (513) 229-4333 FAX (513) 229-3063

4. List the EPA Identification Numbers of the Respondent.

EPA RCRA number - OHD073134025 and IL - 9391135515, Small Quantity Generator - University of Dayton.

5. Identify the acts or omissions of any persons, other than your employees, contractors, or agents that may have caused the release or threat of release of hazardous substances, pollutants, or contaminants and damages resulting therefrom.

We have no knowledge of any persons regarding these types of activities.

6. Identify all persons who have or may have knowledge or information about the generation, transportation, or disposal of hazardous substances by you, your contractors, or by prior owners and operators at the site.

We have no knowledge of any persons regarding these types of activities.

7. Did you ever dispose, transport for disposal, or arrange for the transportation for disposal of any hazardous substances or other materials at the Site? U.S. EPA is in possession of information showing the Respondent was a customer of Industrial Waste Disposal, Inc. ("IWD"), and that disposal transactions were conducted with IWD's on the following dates: 2/10/75, 2/13/75, 10/8/75. U.S. EPA's information indicates that IWD disposed of Respondent's waste at the Site. For each of these transactions, and any other transactions which are responsive to this request, please provide the following:

- a) The name, chemical composition, characteristics, and physical state (e.g., solid, liquid) of each hazardous substances, and the process for which the hazardous substance or material was used or the process which generated the hazardous substances or materials;

- b) Each date when such hazardous substances or other materials were disposed or transported for disposal by you, your contractors, or by any other persons;
- c) The quantity of the material involved (weight or volume) in each transaction and the total quantity for all transactions;
- d) All tests or analyses and analytical results concerning each hazardous substance or material;
- e) The price charged for transportation and/or disposal per drum, barrel, container, load (or whatever unit used) of waste materials brought to the Site.

The University of Dayton's records are inconclusive and do not indicate any knowledge of disposal of hazardous substances on 2/10/75, 2/13/75, and 10/8/75.

8. Identify all persons, including yourself, who may have arranged for disposal or arranged for transportation for disposal or waste materials, including hazardous substances, to the Site. In addition, identify the following:
- a) The persons with whom you or such other persons made such arrangements;
 - b) Every date on which such arrangements took place;
 - c) The person(s) who selected the Site as the place to which the waste materials or hazardous substances were to be transported and disposed;
 - d) The amount paid in connection with each transaction;
 - e) What was actually done to the waste materials or hazardous substances once they were brought to the Site;
 - f) The measures taken by you to determine the actual methods, means, and site of disposal of the waste

material and hazardous substances involved in each transactions.

- g) The type and number of containers in which the waste materials or hazardous substances were contained when they were accepted for transport, and subsequently until they were deposited at the Site, and all markings on such containers.

The University of Dayton has no knowledge or records at this time of any persons that arranged for disposal, transportation for disposal of any hazardous substances to the Site.

If I can be of any further assistance, please contact me at (513) 229-4333.

Sincerely,

Sandra F. Kulik
